

9th December 2013

Dear Parents,

There are two British curriculum schools in the city – ourselves and the nearby Oak House School. Both schools are keen to develop links for the mutual benefit of our students.

One idea we have is to field a 'British Schools Team' in the local 'El Consell' school sporting league. We hope to begin in February by forming basketball and football (5 & 7-a-side) teams. The season comprises eleven matches and ends in May.

These are competitive leagues in which all players are committed to achieving their best performance level by attending regular coaching sessions. Our players should certainly enjoy the feeling of true team spirit arising from training hard to achieve shared objectives. As a member of the squad the expectation will be to attend group meetings, as indicated below, and to represent the team in most of the scheduled fixtures.

Training sessions will be provided by official coaches from 'La Federació Catalana de Futbol & Basquetbol' at Oak House School located at Carrer Sant Pere Claver 12-18, 08017 Barcelona (a10min drive from Kensington).

The teams below are planned for next term and, since this is a Spanish league, they follow the national convention of being based on year of birth rather than British school year group.

Football

- Boys & girls born in 2002 (Alevin)
 - Training: Mondays 18:00 -20:00
 - Match: Fridays 19:00
- Boys & girls: born in 2000 & 2001 (Infantil)
 - Training: Mondays 18:00 -20:00 or Tuesday 18.00 – 19.30
 - Match: Fridays 19:00 or Saturday 11.00

Basketball

- Girls born in 1998 & 1999 (Cadete)
 - Training: Mondays 18:00 -20:00
 - Match: Fridays 19:30

The cost per player is 360€ for the period until the end of May and includes the player's fee, the coaching and insurance. The fee would only be paid after the pupil has attended a training session and seen a match so that they are sure they wish to participate.

If your child is interested please return the attached slip to the office by Tuesday 10th December. These replies will guide me as to the level of interest so I can talk to my colleagues at Oak House before the end of term.

If you have any questions in the meantime, please don't hesitate to contact me.

Kind regards,

Rafael Vanderheyden
