

LOCATION AND TRANSPORT

Location:

Kensington School enjoys a most attractive location. Although only six kilometres west of the city centre the pleasant neighbourhood of Pedralbes offers a secluded, quiet and safe place in which to learn and play.

Accessibility:

All places noted below can be found on the map overleaf.

By Car

We are only two minutes east of exit 10 off the main ring road, the Ronda de Dalt. There is very limited on street parking in the area, so if arriving by car you will have to use a car park. The nearest is only two minutes walk away on the same street as the school at the ESADE Business School. Alternatively, it is a five minute walk to the car park of UPC Campus Nord.

By Metro

We are a ten minute walk from the Green Line (L3) Zona Universitaria station. Take the Parc de Cervantes exit and turn right, into Carrer de Gonzalez Tablas. With the military training establishment to your right, walk up the hill for 500 metres and Carrer dels Cavallers is the second street on the right. The school is 500 metres on the left.

By Bus

The school is well served by local buses. Eight routes have stops close by: 22, 33, 54, 60, 63, 68, 75 and 78.
