

19<sup>th</sup> September 2019

Dear Parents,

Kensington School recognises the need for pupils to pursue activities and interests beyond the school curriculum. We have devised the attached list of activities for the 2019-20 school year with this in mind and hope to provide our pupils with a varied and comprehensive list of activities.

We aim to start these from next Monday 23<sup>rd</sup> September.

If you would like your child to take part in any of the extra-curricular activities, please complete the attached registration form. In order to allow activities to be available for all students, initially there will be a maximum of two activities per week per child. You should mark each activity with a number to specify your child's order of preference, 1-5.

At the end of October, we will review the activities and allow children to take part in more than two activities subject to availability.

As there are limited places in some of the activities, places will be allocated on a first come first served basis. All children will only be able to take part in activities offered to their class; it will not be possible to attend activities offered to other age groups. Please note that you can only sign up to one activity on each day.

Once we confirm the attendance lists, the school office will send confirmation via email for each club that your child has been registered for.

Please note that students participating in LAMDA-drama must sit an exam at the end of the course and there is a small entrance fee for this club. Further information will be sent to those interested in attending the club.

If you would like any further details please contact the school office.

Yours sincerely,

Michael Bayes  
Headmaster
