

HAIKUS WRITTEN ON NATIONAL POETRY DAY

BY LOWER 6 ENGLISH LIT GROUP

“NO”

Sara

No, God is not real

An imaginary tale.

Or maybe? Who knows?

Aya

It's such a strong word

Strong enough to stop the world

But it takes some guts

Leo

No. Such simple word

Break hearts, disappoint, cause hurt

Yet we still need it.

Ms C

No, no, no, no, no

No! No. No-no. Nonono

No? Nooooooooooooo! Know no. Yes.

“CHOICE”

Sara

A bunch of cells, I
Cannot afford to support
But I am forced

Aya

Choice is not just two
Sometimes there are three or more
Time should be your guide

Leo

I choose so I choose
I choose for I am alive long
Long, there's no regret

Ms C

“This is a choice piece”
Announced the butcher woman
“Take it home to eat!”
